Serving the common good by assuring and advancing the quality of higher learning

December 19, 2008

President Brent M. Knight
Lansing Community College
PO Box 40010
Lansing, MI 489017210

Dear President Knight:

This letter is formal notification of the action taken concerning Lansing Community College by The Higher Learning Commission. At its meeting on December 8, 2008 the Institutional Actions Council (IAC) voted to continue the accreditation of Lansing Community College through the Academic Quality Improvement Program, and to adopt any new items entered on the attached Statement of Affiliation Status (SAS). The Commission Board of Trustees validated the IAC action through its validation process concluded on December 19, 2008. The date on this letter constitutes the effective date of your new status with the Commission.

I have enclosed your institution's *Statement of Affiliation Status (SAS)* and *Organizational Profile (OP)*. The SAS is a summary of your organization's ongoing relationship with the Commission. The OP is generated from data you provided in your most recent, (2007-08) Annual Institutional Data Update. If the current Commission action included changes to the demographic, site, or distance education information you reported in your Annual Institutional Data Update, we have made the change on the *Organizational Profile*. No other organizational information was changed.

The attached *Statement of Affiliation Status* and *Organizational Profile* will be posted to the Commission website on Tuesday, January 6. Before this public disclosure however, I ask that you verify the information in both documents, and inform Dr. Stephen D. Spangehl, your staff liaison, before Friday, January 2, of any concerns that you may have about these documents. Information about notifying the public of this action is found in Chapter 8.3-3 and 8.3-4 of the *Handbook of Accreditation, Third Edition*.

Please be aware of Commission policy on planned or proposed organizational changes that require Commission action before their initiation. You will find the Commission's change policy in Chapter 7.2 of the *Handbook of Accreditation*. Please review it with care. I recommend that if you have any questions about how planned institutional changes might affect your relationship with the Commission, that you write or call Dr. Spangehl.

On behalf of the Board of Trustees, I thank you and your associates for your cooperation.

Sincerely,

Sylvia Manning
President
