Women's Independence Scholarship Program (WISP): **There is no deadline for applications, however, it takes about two months to review new submissions.** The Women's Independence Scholarship Program (WISP) was created in 1999 to help formerly battered women overcome barriers to the education necessary for their becoming employable and financially stable. The primary intent is to help single mothers with young children who have the greatest financial challenges (childcare costs, etc.) to gain work skills so they can support their families. Our funds target women who are in desperate financial situations and absolutely must have both an education and our funds to assist them.
